

REMINDERS:

FROM THE TRANSPORTATION DEPARTMENT –

The bus has a very timely schedule. We would like to remind everyone that on your student agreement you need to be to the stop at least 5 minutes before your stop time. We cannot hold the bus to wait on students. Please do not pull your car up and block the bus to prevent them from leaving. This is a safety issue. Thank you in advance for your help in this matter.

The following is a copy of the line from the student agreement.

Thank you!
