

Dear Dennison Community.

We have hosted two parent information meetings in the past month. The opportunity to showcase Dennison reminds me of how grateful I am for this school, community, and a commitment to excellence and helping each other be the best we can be. Our students have an amazing opportunity for success because they are a part of this school. Your dedication to being a partner with us truly adds to the experience for our students.

Tomorrow is Good Morning Grandparents and we will also be honoring our veterans. You will receive a separate robo message with specific logistical directions. With the weather conditions safety is first and foremost. If you are driving a grandparent please wait patiently in the drop off lanes so they can be assisted by Watch Dog Dads when you pull up to the front. Grandparents driving independently will go directly into the transportation parking lot. Parents dropping off students only please use the Kiss-N-Go. Thank you so much for attending to this.

Many of you will be traveling and I wish you safe travels and I wish all of you a wonderful time with family and friends.

I continue to thank all of you for your partnership and support, and am so grateful to be here at Dennison.
