12/5/19

Greetings Dennison Community,

Today's weather is helping us transition from Autumn and Thanksgiving to the Winter and Holiday Season. Students returned from their break refreshed and with exciting stories about staycations, travels, and catching up on the fun things they like to do at home.

Thank you to our entire community for your amazing support with the Arts and Crafts event and the Book Fair. Both have been extremely successful and so much fun. Thanks to everyone working behind the scenes to make these events successful.

We are moving into two of our busiest weeks in terms of after school activities and keeping our mid-year assessments going. Please continue to check school calendars prior to making appointments for your children if it will be pulling them out of school.

Accountability Updates

Family-School Partnership Survey is now open

On behalf of Dennison Accountability Committee, please spend 10-15 minutes filling out the Family Partnership Survey. You should have received an email about this survey Monday. While this is

important to the district, it is more important for our Dennison community. This is your opportunity to offer feedback and have your voice heard regarding areas such as communication, collaboration, and support for student learning. This survey helps Dennison administration and staff to identify priorities that are important to our families and will be discussed at future Accountability meetings, which all are welcome to attend on the 2nd Thursday of the month at 6:30.

We have included the link below again for your convenience. In addition, chrome books will be available at school as needed. Thank you in advance for your time!

SPANISH INFORMATION FOR JANUARY SESSIONS – Please see the new flyer on Peach Jar regarding registration for sessions beginning in January.

CAMP INVENTION RETURNS! - Imaginations will soar this summer (June 15-19) in the all-new Camp Invention® program, Elevate! Campers in grades K-6 will spark their creativity and build collaboration skills while controlling their very own flight simulation robot, protecting Earth's ecosystems, designing the ultimate sports complex and learning the value of their ideas! Local educators will lead fun, hands-on STEM activities inspiring children to ask questions, overcome obstacles and be confident in their innovative ideas. Visit invent.org/camp or call 800-968-4332 to register. Use promo code SUM25 to save \$25 (expires 3/31) or SUM15 to save \$15 (expires 5/12).

Thank you for all you do to make Dennison an amazing school!
